

STELLEATHER™ IX 5039

LEATHER WORK GLOVES

The SteelLeather™ IX is a heavy duty solution for applications where high cut and puncture-resistance is needed for the entire hand. This glove was engineered to handle the roughest applications and keep users hands injury-free. HexArmor® products are engineered to provide users with the highest levels of protection in areas where risk is the greatest.

Experience the Science of Safety™ that has helped reduce injuries and lower PPE costs in the harshest work environments.
